are proud to present an exciting new event!

C of eBay

Auction of Promises

hosted by

Gilding's Auctioneers of Market Harborough

Friday 16th April, 7-9pm
in the school hall

Entry: 50p in advance, £1 on the night

This is an adults only event. There will be a licensed bar selling wine and beer. Tickets will be on sale nearer the time. If you can't make it on the night, don't worry! You will be able to bid online in the run up to the event, or send in a sealed bid.

**A Catalogue of Lots with full details
of how to bid will be provided nearer the time.**

**➔ We are now requesting donations of items and promises
to be auctioned at this event.**

As an alternative to the more usual raffle-type donation, why not donate a 'promise'. Promises do not have to be extravagant; you could promise to babysit for an evening, to provide a made-to-order cake, or to sew name tags into a child's school uniform. Dog walking, pet sitting, ironing, gardening and car washing are other ideas. The possibilities are endless! Overleaf are some more examples of the type of promises you might like to donate.

P.T.O.

You could donate a 'promise' that is related to your line of work:

If you're a hair stylist or a beauty therapist, you could promise a free hair cut or beauty treatment. If you work in a restaurant or bar, your promise could be a free meal or bottle of wine. A music teacher could promise a free lesson, a solicitor free advice on drawing up a will, and so on...

By providing a donation you will be raising money for the school and also promoting your business! Details of all donors will be listed in the auction catalogue and on the website **auctionofpromises.com**. The PTA will advertise the event throughout the school and to the wider Harborough community, via the Harborough Mail and on HFM.
