

Market Harborough C of E Academy Open Afternoons

Will your child be starting in
Reception in September 2018?

Why you should consider our school:

- **Our children thrive in a harmonious, safe environment and are nurtured and cared for**
- **Children 'behave very well. There are good relationships between staff and pupils. Pupils in all classes take pride in their work and their school.' Ofsted 2017**
- **Every child has the opportunity to learn at least two musical instruments whilst at the school**
- **There is a warm and inviting Breakfast Club in place and we are seeking to extend our wraparound care to be able to provide after school provision from 2018**
- **There is a dedicated Child and Family Support worker to support our families**
- **Year-on-year progress and attainment has shown a significant upward trend for the last two years**
- **'The school is improving rapidly as a result of the headteacher, deputy headteacher, senior leaders, the trust and the governing body, instilling a culture of ambition and moving the school forward.' Ofsted 2017**

**We would like to invite you to attend one of our
Open Afternoons on
3rd October and 10th November**

**Please contact our office team for more details and to
book your place by calling 01858 464 112 or emailing:
office@mhce.org.uk**
