

20 BOOKS TO READ IN YEAR 6

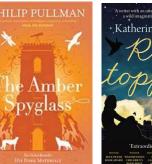

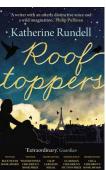

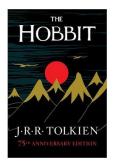

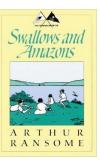

Dear Parents/Carers,

To help ensure every child is being exposed to high-quality fiction across the school, the books overleaf have been carefully chosen to be read to/by your child during their time in this particular year group. If you happen to have any that are in good condition and you would be happy to donate them to the school, please send them in with your child. Below is the complete list of books we are looking for across Key Stage 1 and Key Stage 2, so if there are books from any of the other year groups you would be happy to donate, then these would also be greatly appreciated.

All donations are gratefully received and may mean we can accrue a number of copies of each text so that the children can be reading and talking about each of the books at the same time.

Here's thanking you in advance for any help you can provide

Mr Lee, Miss Noone & Mrs Marchesi
